MEMORANDUM TO: Chief, Interdepartmental Coordinating
and Planning Staff

SUBJECT: Liaison Pertaining to CIG Strategic Intelligence
Estimates.

1. With the activation of the Projects Division, Intelligence Staff, ORE, a necessity exists to establish direct liaison between its Chief and certain offices of the State, War and Navy Departments in addition to those currently established, and with the Secretariat, JIC.

2. While such liaison is required for the implementation of an approved operation, namely, the planning, programming and preparation of strategic intelligence estimates, it is believed that specific authorization by ICAPS to establish them is desirable in this instance, in view of the level at which the contacts will be conducted.

3. In view of the fact that Mr. James S. Lay, Chief, Projects Division, Intelligence Staff, ORE is known personally to the individuals concerned through his activities as Secretary, NIA, it is believed unnecessary to prepare formal letters of request to the offices involved for the purpose of establishing initial contacts.

4. Accordingly, it is requested that you approve and sign the attached letter, authorizing the Assistant Director for Reports and Estimates to establish and maintain the liaison described therein.
